Fund Overview

The objective of the segregated fund is to invest in units of the Mackenzie Income Fund or a substantially similar fund.

The underlying fund objective is to invest in securities which provide a steady flow of income with reasonable safety of capital. The fund's primary investments will be Canadian fixed income securities, including government debt securities, corporate bonds, debentures and treasury bills. The fund also intends to invest between 10% and 40% of its assets in dividend-paying equity shares, preferred shares or income trusts of Canadian and foreign companies.

Equitable Life of Canada and its representatives have no control over the function or design of the software which has assembled these reports and they may not contain accurate or current unit values. Returns under 1 year are simple rates of return. All others are annual compound rates of return. All returns are calculated after taking expenses, management and administration fees into account.

Important information about Equitable Life's segregated funds is found in the Information Folder, available from your Advisor.

ANY AMOUNT THAT IS ALLOCATED TO A SEGREGATED FUND IS INVESTED AT THE RISK OF THE OWNER AND MAY INCREASE OR DECREASE IN VALUE.
